Visitation Status:

Our visitation policy at this time is limited to “window visit”. Families can schedule w Virginia Daniel-Brickhouse - Activity Supervisor for a date and time to see their loved one, via window in front office facing the patio.

Families can also schedule Zoom and Skype calls to speak with their loved one.

We continue to test staff twice a week and residents once a week. Our County’s positivity score is High.

Facility Safety Precautions:

We continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Thank you for your support throughout this pandemic, and as always, if you have any questions or concerns please contact us directly at 410.641.4400.

Sincerely,

Angie Gozali, LNHA
