

WEEKLY UPDATE

2.4.2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 73 residents and 45 staff members test positive for COVID-19. We continue to test staff twice a week and residents once a week. Our community positivity rate has decrease for the second week in a row.

Our third schedule date for Covid vaccine is schedule for 2.10.2021

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 410.641.4400.

Sincerely,

Angie Gozali, LNHA

**WEEKLY UPDATE**

**February 18, 2021**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 73 residents and 45 staff members test positive for COVID-19. The facility has completed the three scheduled vaccination days from Walgreens. Moving forward we will be working with Worcester Health Department as to how to proceed with vaccinations for new admits and new hires. We will also be working on a re-visitation policy for families and friends to schedule visits with their loved one.

Our county positivity rate is on the decline. We continue to test our staff twice a week and residents once a week.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. WEEKLY UPDATE

2.26.2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. Since the onset of the virus, we have had 73 residents and 45 staff members test positive for COVID-19. We also have completed the three schedule vaccination days from Walgreens. Moving forward we will be working with Worcester Health Department as to how to proceed with vaccinations for new admits and new hires. We are also working on the new visitation policy for families and friends to schedule visits with their loved one.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 410.641.4400.
