

5.21.2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update on the status of COVID-19 in our facility.

Number of Confirmed COVID-19 Cases Currently in the Facility

Staff: One

Residents: Zero

Date of Last Newly Confirmed COVID-19 Case:

Staff: May 19, 2021

Residents: December 22, 2020

Visitation Status:

Unfortunately, we had a staff member test positive. This staff member does not work directly with residents and is at home on quarantine. As such, visitations, beauty shop services, group activities and communal dining are temporarily on hold. We are testing all residents and staff for two weeks, twice a week. If no there are new cases, guidelines call for a 14 day quarantine period after which time we can resume visitations.

Please contact Virginia Daniel-Brickhouse Activity Supervisor to schedule a Face Time call or Zoom with your loved one at this time.

Facility Safety Precautions:

We continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 410.641.4400.

Sincerely,

Angie Gozali, LNHA
