

## WEEKLY UPDATE

6.3.2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update on the status of COVID-19 in our facility.

### Number of Confirmed COVID-19 Cases Currently in the Facility

Staff: Zero

Residents: Zero

### Date of Last Newly Confirmed COVID-19 Case:

Staff: May 19, 2021

Residents: December 22, 2020

### Visitation Status:

We have resumed in-house visitation, beauty shop, group activities and rehabilitation in the gym. We must continue to adhere to our infection prevention and control practices and wear face masks and remain 6 feet apart at all times. Our visitation is moving to accommodate all families and visitors. Our hours are more flexible to provide a more relaxed visitation. Please contact the receptionist for further details.

### Facility Safety Precautions:

We continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 410.641.4400.

Sincerely,

Angie Gozali, LNHA  
Administrator
