

WEEKLY UPDATE

7.8.2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that we currently have no confirmed cases of COVID-19 in our facility.

As we re-open our doors and get back to a new norm, we are glad to have programs and visitation restarted. We have in place community dining, activities, pet therapy, beauty shop services and outings. As a friendly reminder, please call and inform our receptionist of your plan to visit prior to visiting. This assures your loved one is ready for your visit and staff is able to assist you.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 410.641.4400.

Sincerely,

Angie Gozali, LNHA

Administrator
